Quality, Health, Safety and Environment Policy

Megha City Gas Distribution Private Limited (MCGDPL) is in the business of Laying, Building, Operating, and Expanding City Gas Distribution (CGD) Networks across its authorised GAs, and supplying Piped (PNG) and Compressed Natural Gas (CNG) to its end users.

We, believe that QHSE is an Integral part across all activities we undertake and that all types of injuries and incidents are preventable. We aim to adhere to the highest quality standards in our business practices, to protect the health and safety of our stakeholders, to minimize the environmental impact associated with our business processes and to assure the integrity and safe operation.

To achieve this, we are committed to:

- Demonstrate **visible leadership** at all levels-every stakeholder shall demonstrate his/her personal commitment to QHSE norms.
- Integrating **QHSE aspects** in all our business processes.
- Pro-actively comply with all applicable **legislation** & other requirements.
- Enhancing the **competencies and commitment** of employees through suitable training programs, involvement, and motivation.
- Adopting and implementing the best available technology and **QHSE systems**.
- Promote **participation** from stakeholders in decision making whenever required.
- Provide relevant and effective **resources** to enable effective management of QHSE risks.
- Institutionalize practices for **sustainable development, minimising pollution, effective waste management**.
- Setting **QHSE objective and targets**, monitor progress and continually improve performance.
- Proactively **report and document** all near-miss & incidents, investigate root causes, and ensure lessons learnt are shared and deployed across the Business.
- Continuously improve our QHSE Management Systems through **regular audits and inspection**, and ensure its implementation.

NB: The Policy is communicated within MCGDPL and made available to the public and interested parties.

Venkatesh Palimpati
